Spring 2020

COVID-19 VERSION

-
- Mon Mar 30
- **By 4:30 pm, submit your 3 Event Homepage Designs. See instructions on my website for sharing and commenting.** Spreadsheet: <https://bit.ly/3homepages>
 - **Between 4:30 and 6:00**, comment on your peers' work per the critiquing directions.
 - View the comments on your design for feedback & choose the design you think is best.
 - Then, make a new file named: [lastname-event-desktop.xd](#).
 - In this prototype file, begin applying your best design to the other 2 pages that you initially wireframed. (For instance, you might have previously made "Activities" or "Lineup.")
-
- Wed Apr 1
- Continue applying your best design to the other 2 pages (the ones you initially wireframed, like Activities or Lineup).
 - Read Components and States lecture and view the videos.
-
- Mon Apr 6
- **By 3:30**, submit a draft of the 3-page desktop prototype so I can see your progress. Do this by sharing (make sure comments are turned ON) and add your link to this spreadsheet: <https://bit.ly/prototypedesktop>
 - Finish the 3-page desktop prototype by next class so that you can start new pages next class. You don't need to submit the link yet, but be done with the first 3 pages because you will start adding more pages to it next class and won't have much time to go back.
-
- Wed Apr 8
- Read lecture: User Experience in Ecommerce
 - View link "Standards for Ecommerce Product Pages" to begin work on Merch page.
 - Read project handout: Ecommerce and Forms
 - Work on your Merch page. Be about halfway finished by next class.
-
- Mon Apr 13
- Read lecture: User Experience of Forms
 - Work on Registration pages and the Cart page.
 - Continue working on Registration pages and Cart pages.
 - After working on the Merch and the Registration pages, **submit your second draft** (with comments turned on) to <https://bit.ly/prototypedesktop> so that I can see your progress. Do this sometime before next class.
-
- Wed Apr 15
- Continue working on merch, cart, and registration-related pages and be nearly finished with them by next class.
-
- Mon Apr 20
- Work on prototype linking and transitions (and any animations you choose to do). Finish up Merch, Cart, and Registration (as well as the initial 3 pages).
 - Read lecture/handout on XD animations, easing, and transitions. (Animations are not required in this project, but they will be when you do the responsive/mobile project.)
